

## MOBILE HOME USER INSTRUCTIONS

### ● At your arrival

Please check the good working condition and cleanliness of the mobile home and report any anomalies to us as soon as possible and before 08.00pm.

Rooms: put the disposable protections rapidly on the bedding.

### ● During your stay

**Toilets:** Independent wastewater treatment station: Do not throw anything in the toilets (sanitary napkins, wipes)

Sun umbrella (depending on the rental) : Please make sure to close the sun umbrella when you leave the campsite grounds, because here the weather can change extremely quickly (gale, storm).

### ● On your departure day (definitely between 8AM and 10AM)

We kindly request you to come to the reception desk to let us know that your mobile home is ready (floors must be dry and rooms ventilated) and give us the key.

Rooms: Remove and put the disposable protections in the bin, shake the pillows and fold the duvets.

Living room / kitchen: Defrost the refrigerator by keeping the door open (put a bowl underneath the freezer for any leaking water), waste bin, carpets.

Bathroom: Undo the shower drain (depending on the model)

Toilets: Put the brush in the toilet bowl.

In all the rooms: The furniture and floors must be cleaned, mirrors and windows on the inside, leave all cupboard doors open.

A cleaning kit is offered.

There is a vacuum cleaner available at the reception desk.

Outside: After sweeping, put back all the furniture on the terrace.

*Thank you for your understanding and we wish you a lovely stay.*
